In this section, indicate services both under and over-budget (when applicable) necessary to meet the member's needs. When requesting modifications at any IPP juncture, just replace the current unit number with the amount the team has agreed upon for modification.

## CIRCLE OF SUPPORT Intimacy: Who can I count on? Friendship: Who is a good friend? Participation: What people, organizations, or networks am I involved with? Exchange: Who are the people paid to be in my life (i.e. staff)? Who would I like to participate in developing my plan? (May include anyone I want: professionals, direct care providers, family members, friends, etc.; however, it must include my legal representative - if applicable and a representative of any agency that provides services for me.) **GOALS AND DREAMS** Goals and dreams should be carried through the rest of this plan and incorporated into the Service and Habilitation Plans including responsible persons and/or provider and timelines for making plans happen. What are my short-term and long-term goals and dreams? My dreams should be positive and possible. (Where do I want to live? Ideal job? Who do I want to live with? Dream vacation? What do I want to learn?) Who is going to help me achieve these goals/dreams? **Short-term goals:** Long-term goals: What do I expect to be different as a result of receiving services and supports? What outcomes do I expect to accomplish with the help of supports? What are the things that I like and dislike? What things do I consider pleasant and important? What do I like to do during my leisure time? What community activities do I enjoy? What are my strengths? What am I good at?
