

Summary

Atrezzo is a person-centered, web-based care management solution that transforms traditional, episodic-based care management into proactive and collaborative population health care management. Chrome is the preferred internet browser. The below instructions will highlight the steps to add Chrome to your computer.

Search for Google Chrome

In your current internet browser, do a search for “Google Chrome Download” or click [Download](#) to access an available link, then follow the below steps to complete installation.

Thanks for downloading! Just a few steps left

Your download will begin automatically. If it didn't start, [download Chrome manually](#).

STEP 1

Open

Open the ChromeSetup.exe file from the downloads list at the bottom left corner of this window.
